[Have a Question?](#)

Rollstone Bank & Trust is a member of the FDIC and the DIF, giving you 100% insurance on your deposits.

DIF coverage picks up where FDIC insurance leaves off. The FDIC traditionally covers to at least \$250,000, and DIF insures every dollar over that, up to your full balance.

There are no residency requirements to get the DIF coverage, and you are automatically enrolled, at no charge, when you open or deposit to an account at RBT.

RBT remains a well-capitalized, rock solid financial institution, and this full coverage can give you even more confidence and peace of mind in banking with us. Learn more [about DIF](#) or [contact us](#) if you have any questions.
