[How do you calculate currency exchange?](#)

[Expand](#)

To calculate how much of a foreign currency you'll receive, divide the amount of money you're starting with by the exchange rate. You can also use the [Visa® Currency Exchange Calculator](#) / [Mastercard® Currency Converter Calculator](#). The calculator is updated every day to reflect the most current exchange rates.

[What denominations of foreign currency are available?](#)

[Expand](#)

At Rollstone, foreign currency is available by order only. To inquire about specific currency denominations, visit a [branch](#) or [contact us](#).

**Fees may apply.*
