**Putting your home to work for you just got easier!** You can now have the predictability of fixed payments combined with the flexibility of a revolving line in one loan! Lock a portion of your home equity into a low, fixed rate and keep the remaining available credit flexible at a low variable rate – all with just one application.

Plus, there are **NO CLOSING COSTS** and **NO APPLICATION FEE!**

**With the fixed portion, you'll enjoy:**

- Fixed monthly payments
- Fixed terms up to 15 years
- No fees for conversion
- No closing costs
- Flexibility of maintaining up to three fixed rate equity loans at once

**With the revolving line, you can still:**

1. Access it whenever you need
2. Have interest-only payments
3. And now, fix a portion of it whenever you want!
