Taking out a mortgage is likely the biggest financial decision you will ever make. At Rollstone Bank & Trust, we have been helping families meet their financial goals since 1846. With history like that, backed by our team of Mortgage Experts, you can feel confident in working with RBT for your next home loan.

Roberta “Bobbie” Parker is Senior Vice President of Retail Lending. In her 16 years at RBT, she has held a number of roles in the lending division, including Credit Analyst, Commercial Loan Officer, and Mortgage Officer. Bobbie is very active in the community, serving as Treasurer of the North Central MA CRA Coalition and volunteering for the United Way and Habitat for Humanity. Her comprehensive knowledge of lending, combined with her attention to detail and ability to relate to others, helps make for a positive mortgage experience for our customers. NMLS #1370557

Marcio Cirino brings excellence in customer service to his role as Vice President / Retail Lending Officer. After earning his Bachelor’s Degree from Fitchburg State University, Marcio came to work at RBT, and has experience in both consumer and mortgage lending. His patience, attentiveness, and great service will help guide our customers through the process from beginning to end. NMLS #1224234

Ann Proctor is an accomplished mortgage professional, having worked in the industry for 42 years, including owning her own mortgage loan business. Ann's focus has always been on building relationships with her borrowers, a desire which brought her back to the mortgage team at Rollstone Bank. Whether you are a first-time homebuyer, purchasing your final retirement home, or somewhere in between, you can count on Ann to go above & beyond for you. Experience is key when you're choosing the right lender, and Ann's expertise will take you every step of the way. NMLS #16795

Chris Connors, Relationship Banking Officer, has worked in the banking industry for over 25 years. His customer-first approach and experience in mortgage lending, branch management, and commercial banking gives his customers a single point of contact for all their banking needs. After spending 4 years in the US Navy as an Operations Specialist he went on to earn his B.S. in Communications from Old Dominion University in Norfolk, VA. NMLS #1612984
